The network provided to Boostlingo customers, known as the Boostlingo Professional Interpreter Network (BPIN), services constitute a technology platform ("Boostlingo Platform") that enables clients to use Boostlingo's mobile applications, landline phones or Boostlingo's website portal provided as part of the Services (each, an "Application") to get on-demand interpretation services with third-party providers of such services, including independent third-party interpretation service providers under agreement with Boostlingo or certain of Boostlingo's affiliates ("Backstop Partners"). Boostlingo does not provide interpretation services as an interpretation service provider. Third-party Backstop Partners reserve the right to decline interpretation services to a Boostlingo customer contacted through the Boostlingo Platform.
